2023 and 2024 Personal Tax Rate Overview

- For 2018 and future years, under the tax reform law (Tax Cuts and Jobs Act of 2017) signed on 12/22/17, ordinary marginal tax rates are 10%, 12%, 22%, 24%, 32%, 35% and 37%.
- Capital Gains and Dividend Tax Rates- A 20% tax rate applies to long term capital gains and dividends for taxpayers at certain taxable income levels as follows: \$553,850 in 2023, \$583,750 in 2024 for married, filing jointly, \$492,300 in 2023, \$518,900 in 2024 for single and \$523,050 in 2023, \$551,350 in 2024 for head of household. The 15% rate applies for those lower than the figures indicated above and a zero rate applies for taxpayers in the 10% and 12% brackets. In addition, note that the 3.8% surtax explained below will further increase these rates, depending on income.
- The employee's portion of the social security tax on earned income is 6.2%, capped at \$160,200 for 2023 and \$168,600 for 2024.
- There is a surtax of 3.8% on unearned income (i.e. interest, dividends, capital gains, net rental income, annuities, royalties) for those taxpayers whose modified adjusted gross income is above certain threshold levels. Those thresholds are \$200,000 for single and head of household filers, \$250,000 for married, filing jointly and \$125,000 for married, filing separately.
- There is a .9% increase in the medicare tax (from 1.45% to 2.35%) on earned income (i.e. W-2 wages, self employment income) for taxpayers whose income threshold exceed the levels indicated above in the 3.8% surtax section.
